

Kevh

Singer - Songwriter - Producer - Musician

Kevh, is known for his smooth vocals and his eclectic approach to song writing and Caribbean influenced music. Often depicted in Kevh's work is a social consciousness that speaks across generations and a lovers heart, with a rugged edge. His music displays the true grit of his being with romantic words and enchanting melodies that often brings you to fall in love.

Kevh is now in production working on his sophomore album Journey of a Dragonfly. The dragonfly is a symbol of change rooted in mental and emotional maturity which defines his eclectic approach to songwriting. His music infuses elements of Dancehall, R&B, Afro-Beat, Hip-hop, and Reggae to represent his broad palate for rhythmical feels and vibrations. You can hear the energy in his new releases such as Forgive Me, and Something for You.
